

Parking on Sundays

Please keep it green - consider walking, cycling or using public transport. Onsite parking available (first-come-first-served) via rear car park entrance on Highwood Avenue (N12 8QP)

9.30am drivers, please park in the basement, and 11.30am drivers, please park above (keep right after the gates). This will help avoid traffic jams between the services!

If the car park is full, please park at Lodge Lane or in one of the local car parks, many of which are free on Sundays.

Please do not park in the surrounding roads (see overleaf).
