

# No-parking zone

We have agreed a no-parking zone in surrounding roads in order to be a good neighbour. Please do not park in the roads shown on the map.

## Parking for midweek meetings

Parking is available at St Barnabas. The entrance is on Highwood Avenue. Ask your group leader for the code to the car park (which will not work on Sundays).

You can either park outside or carry on down the ramp into the basement (same code).

There is an entrance into the church from the basement, with a lift to the ground and 1st floors.

# Parking on Sundays

Check out our leaflet: Planning your travel to St Barnabas

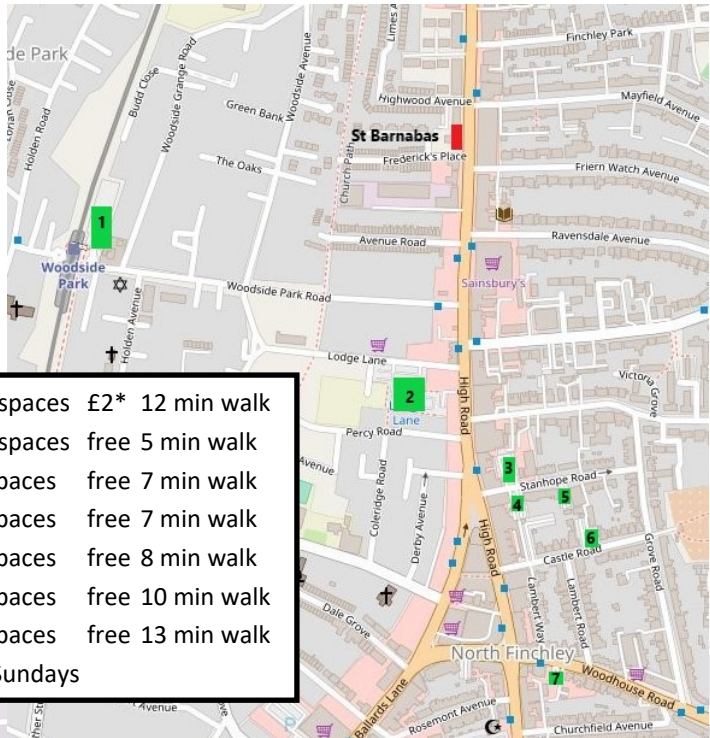

For our morning services, parking is available on site for disabled people, visitors, families with under-5s, people serving on a team that week, cars with 4 or more people, or if you need to bring heavy items. The entrance to the car park is on Highwood Ave.

9.30 service teams please park in the basement, and 11.30 service teams please park outside (keep right after the gates). This will help avoid traffic jams between the services!

If you don't fit into one of these categories, or if your team is not on duty that week, please park in one of the local car parks, many of which are free on Sundays.

For our 5pm service, parking is available onsite for everyone.

Please do not park in surrounding roads (see overleaf).

1 Woodside Park station	141 spaces	£2*	12 min walk
2 Lodge Lane	232 spaces	free	5 min walk
3 Stanhope Road	52 spaces	free	7 min walk
