Surplus/Deficit

Late-breaking news...

1. Thanks St Bs - After running at a deficit from Sep '14 to Feb '15 - we finally had a great March Income which cut our budget deficit in half. We are still £27,300 under-budget though.
2. We have recently completed a month of Fasting and Prayer for God's Presence and provision. Right at the end of the month we received a gift of a property with a value of about £250,000. This must still be valued by a surveyor, but what an answer to prayer!
