We, the members and leaders of the Church of England in the Diocese of London, share a vision of a church in 2020 that is Christ centred and outward looking.

We resolve to pray for Capital Vision 2020 and to share our progress in becoming more confident, compassionate and creative.

For all the latest information: www.london.anglican.org

We will be more
confident in
speaking and
living the Gospel
of Jesus Christ

To enable this we will by 2020:

Communicate the Gospel more effectively using the opportunities offered by new media

Equip and commission 100,000 ambassadors representing Jesus Christ in daily life

Invest in leadership and increase the number of ordinands by 50%

We will be more
compassionate
in serving
communities with
the love of God the
Father

To enable this we will by 2020:

Enable new initiatives to fight poverty, inequality and injustice in London and worldwide, including our joint venture with the Church Urban Fund

Open up our church buildings to the wider community

Strengthen links between schools and their local Christian community

We will be
more creative
in reaching new
people and places
with the Good
News in the power
of the Spirit

To enable this we will by 2020:

Double the number of young people involved in local Christian community

Create or renew 100 worshipping communities

Engage more closely with sport and the creative arts

Each pray for at least seven people that we may share with them the story of our faith
