

St Barnabas Mission Partners

Stephen McKenzie works amongst the student population of Manchester with the Apogee Foundation to see students come to faith, be discipled and become ambassadors for Christ on campus. He is currently spearheading a project called "Into the Workplace" to resource and prepare students and the churches working with them, to live for Jesus when they enter the workplace. He is engaged to Abbi.

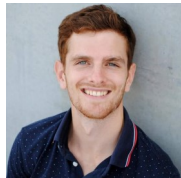

Update: It has been a busy and fun start to the academic year, meeting new students and welcoming them into the city. At the end of fresher's week, Stephen had the opportunity to do some training for Christian Union students from the University of Manchester. He has been running a small group once a week with around 12 students (from varying years) and a few graduates.

Give thanks:

- For the new students Stephen has started to build relationships with
- For a successful start to term
- For increased financial provision over the last few months

Pray for:

- Good encounters with new students
- God to open doors with local businesses and partner charities for a short term mission team from Baylor University in the summer
- Continued motivation and progress for the "Into the Workplace" project
- Continued ability to find rest during a busy term

Tom Stubbings is based in Perth, Australia with Youth With a Mission (YWAM). He leads the Performing Arts Discipleship Training School (PADTS) and the First Fruit Productions (FFP) ministry. The school involves three months of training and a three month outreach in varying countries. The ministry runs throughout the year and is committed to reaching the unreached with the Gospel through performing arts.

Update: Tom and his team have recently been on outreach in South Australia to build relationships and minister. They did workshops in Christian and secular settings; worked with churches and schools; created dances / spoken words and had lots of open-air evangelistic opportunities.

Give thanks:

- For the many good news stories and team-building opportunities on the recent outreach
- For the new lease of creativity in the team
- That Tom continues to learn lots

Please pray:

- For clarity for Tom and his team in the various decisions they have to make
- For more people to join the January DTS and FFP ministry
- For fruitfulness as they go on outreach in Western Australia
- For continued growth in faith and personal life

Pray for Stephen and/or Tom: Tear off this slip to pray through the week

Support Stephen and/or Tom: Email clairefranks@stbarnabas.co.uk to find out how you can support Stephen and Tom, or to receive their newsletters.
