

## St Barnabas Mission Partners

**Pedro & Annu Santos**, and their sons Daniel and Yonatan, work with CMJ in Tel Aviv, Israel. They run a busy and demanding guest house, called Beit Immanuel, and have the responsibility for three congregations that meet there: a Messianic Jewish congregation (approximately 50% Russian), an Arabic congregation, and an Armenian congregation. Annu is developing a counselling ministry.

### Latest news from Pedro and Annu:

After such a long time of praying for Daniel's residency, God created a small miracle for it to come through! Now Daniel is trying to become a paramedic with the Magen David Adom, the Israeli Red Cross. To do this, he will need to pass his tests. He struggles quite a bit with the theory but loves the practical side of his course. His teachers see the potential and the passion in him and are trying to help him.

God has granted the Santos' favour several times before the authorities in relation to their Business Licence. This has also provided them with a large number of opportunities for sharing their faith in Jesus with people who have never heard of Him before. The Business Licence needs renewing on 14 January and there is still one unsolved issue with the Water Department. Pedro will go next week to try and sort this out.

Their Congregation continues to grow and they have been blessed with some new families who joined them recently. God has seen them through some very difficult situations but your prayers always uphold them.

### Give thanks for:

- Daniel's residency and the opportunity for him to become a paramedic with the Israeli Red Cross
- For God's favour before the authorities in relation to their Business Licence and the opportunities for sharing their faith with those that haven't heard of Jesus, through this
- Their Congregation, which continues to grow

### Please pray for:

- A smooth and successful trip for Pedro to sort out the unresolved issue with the Water Department and the successful renewal of their Business Licence
- God's help for Daniel to pass his paramedic tests
- For the outreach that goes out of Beit Immanuel; to shine the light of Jesus even brighter in Tel Aviv

## If you are new...

Welcome! We are really pleased to have you with us at St Bs today.

If you are a newcomer and would like more information, then please take and complete one of our **Connect Forms**, which you will find at the connect point or in the Offering Baskets as they come round.

Hand it in to anyone wearing a badge at the connect point and they will be delighted to give you a gift bag.
