

## St Barnabas Mission Partners

**John and Suzi Peachey** are serving with Youth with A Mission (YWAM) in Harpenden. They teach and mentor younger missionary leaders, and help facilitate the group of senior leaders caring for YWAM teams in England. They lead the ministry of *Orphans Know More* which is strengthening Ugandan families who have adopted orphans. John is working towards a PhD through the Oxford Centre for Mission Studies and Middlesex University. Their four young adult children are Seth, Joel, Naomi and Lily.

### Latest news from John and Suzi:

John and Suzi were recently in Cape Town. A highlight was being able to see the graduation of some Masters students that they have been journeying with for almost three years.

Lily, the youngest of the four Peachey children, is currently on the outreach phase of her DTS (Discipleship Training School) in Peru and is really seeing God at work.

Back in the UK, John, Suzi and the rest of the Peachey family came to St Bs two weeks ago on World Mission Sunday/Pentecost Sunday. John preached in the morning services, with some input from Suzi and their other daughter, Naomi. They inspired us from Acts 2 and their own missional experiences in the UK and overseas.

John continues to work hard on his PhD.

### Give thanks for:

- The opportunity for John and Suzi to see the graduation of some of the Masters students they have been journeying with in Cape Town
- All that God is doing in and through Lily and her team in Peru
- The Peachey family's involvement in World Mission Sunday

### Please pray for:

- Continued perseverance, boldness, energy, health and guidance of the Holy Spirit for Lily and her team on outreach in Peru
- God to continue to equip John and Suzi with all they need for their work in YWAM and Orphans Know More (OKM)
- Productivity and clarity in writing for John for his PhD thesis, and that all the necessary funds come together to pay his tuition fees
