

## St Barnabas Mission Partners

**Pedro & Annu Santos**, and their sons Daniel and Yonatan, work with CMJ (The Church's Ministry among Jewish People) in Tel Aviv, Israel.

They run a busy and demanding guest house called Beit Immanuel, which reaches out to the local Jewish and Arab people. They also have responsibility for three congregations that meet there. Annu is developing a counselling ministry.

### Latest news from Pedro and Annu:

In September, we took part in Open Houses, a three day event promoted by the Tel Aviv Municipality. During this time, thousands of Israelis visited Beit Immanuel and we had many deep conversations about the Messiah, some hearing about him for the first time in their lives!

We are getting close to finalising everything with the Water Department. Hopefully by November our sprinkler system will be functional.

David Lazarus, our Congregation pastor for the past 30 years, has retired and passed the leadership on to Aleksey Raichstadt.

We are both in the UK at the moment visiting and speaking at many Jewish congregations on behalf of CMJ.

### Give thanks:

- For the seeds sown at the Open Houses event
- For the growing number of believers in Israel and the new desire to share the Gospel with Muslims as well as Jews
- For being close to finalising everything with the Water Department

### Please pray:

- For fruit from the seeds sown at the Open Houses event
- For health, strength and perseverance as they share the gospel
- For the Lord's blessing on their congregation in this transitional period
- For the restoration of the Beit Immanuel building, particularly the building structure
